

 **monday Elevate**

My Elevate-or pitch

NYC

17-18 Sept | Duggal House

What is Elevate?

Elevate is monday.com's annual conference, designed to help professionals gain the competitive edge in their industry, reimagine AI for work, and sharpen their monday.com skills like never before.

5 reasons you should send me

Maximizing monday.com

Happy to build my agenda with you and attend sessions that help us get the most out of our monday.com investment (I'll take great notes!)

AI for all aspects of work

This year, Elevate's really leaning into AI, offering guidance into using their AI capabilities, as well as AI best practices overall.

L&D opportunity

Elevate's masterclass sessions would help me upgrade my monday skills.

Learnings from top experts

From celeb speakers to brand customer stories to peers at the expo – there are actionable insights to learn around every corner.

Certifications

By joining a pre-Elevate training day, I'll walk away a certified monday expert, knowing how to build any workflow in a pinch.
